

SP SERIES

SP SERIES

The SP Series Digital Bench Scale is an NTEP approved legal for trade, compact, 60 lb or 100 lb capacity scale with remote LED display attached with six feet of cable. An optional 12", 18", or 30" stainless steel column and mounting bracket is available. The scale features a removable stainless steel platform and adjustable feet for leveling.

The SP Series uses full duplex RS-232 serial format to interface with personal computers or remote displays. The unit can transmit on demand or continuously in several popular UPS manifest data protocols.

SP SERIES
